

7 Reasons Your Child Needs to Enroll in the CTI After School Program

- Increased Self-Control
- Enhanced Self-Confidence
- Respect for Self & Others
- Improved Study Skills
- Physical Fitness
- Leadership Training
- Goal Setting

It is no secret that martial arts training **BUILDS STRONGER BODIES**, develops motor skills and **TEACHES SELF-DEFENSE**. But did you know students who study martial arts also tend to **DO BETTER IN SCHOOL?**

Students enrolled in our structured martial arts classes learn how to focus and how to set goals. They also develop **SELF-CONFIDENCE** and increase their **SELF-ESTEEM**.

Our students receive **BETTER GRADES** and perform better in school-sponsored activities. At CTI, we teach more than just punching and kicking.

Our special after school program is a special course offered to the students of Our Lady of Fatima. We will be teaching the students Taekwondo in a positive, structured environment.

CTI and Our Lady of Fatima are proud to present the return of the After School Taekwondo program! We had a very successful program last year and we are looking forward to doing the same this year. CTI is now accepting new students into the program. Dates and times are as follows:

Fridays

**September 11th - December 18th, 2009
3:00pm - 4:00pm**

The cost of the program is \$195 and the uniform is free to all new students who sign up!
